To Our Members:

It is with great excitement that I announce, on behalf of the Board of Directors, that Mr. Georg Oberprieler has been appointed as President & Chief Executive Officer of Community Credit Union.

The Board of Directors undertook a national search for a new CEO with the goal to appoint an individual who has the energy and the commitment to move Community Credit Union forward in creating a focus on member service, providing for a financially strong credit union, creating a great place to work, and supporting our communities. The Board has found this in Georg. Through the process Georg demonstrated that he is a real credit union person – someone who is committed to the ideals of cooperatives and committed to providing great service to members every day. The Board values the many years of credit union experience that Georg will bring as well as his commitment to working hands on and in collaboration with our staff and members.

Georg has held leadership positions in credit unions in British Columbia and in Germany. His current position is as CEO at Heritage Credit Union. Those who have worked with Georg describe him as dedicated to working with his team, dedicated to providing great service to members, and focused on achieving excellent results for the credit union. Georg will be moving to our local community from his current home in British Columbia and his start date is anticipated to be November 1.

The Board looks forward to the achievements that will result from our staff working with our new leader with a renewed focus on our members.

The Board will soon be working with Georg and his team in developing a new strategic plan for the Credit Union which will provide a re-energized forward motion.

Yours Truly and on behalf of the Board of Directors;
